Thursday, 29th of September

S.T.A.B.L.E. Course

"Post-resuscitation stabilization and pre-transport"

09:00-09:15 Welcoming and registration of the participants

09:15-09:30 Introduction/General presentation of the course – Adrian Ioan Toma, Marta Simon, Andreea Avasiloaiei

09:30-10:30 Module 1. Sugar - Glycemia – Adrian Ioan Toma

10:30-10:45 Coffee break

10:45-11:45 Module 2. Temperature – Marta Simon

11:45-12:45 Lunch break

12:45-14:45 Module 3. Airway – Adrian Ioan Toma

14:45-15:00 Coffee break

15:00-16:00 Module 4. Blood Pressure – Marta Simon

16:00-16:45 Module 5. Lab Work – Andreea Avasiloaiei

16:45-17:00 Coffee break

17:00-17:30 Module 6. Emotional Support – Andreea Avasiloaiei

17:30-18:30 Module 7. Quality Management – Adrian Ioan Toma, Marta Simon

18:30-19:00 Post-test/Feedback from the participants – Adrian Ioan Toma, Marta Simon, Andreea Avasiloaiei

19:00 Closure of the S.T.A.B.L.E. Adrian Ioan Toma, Marta Simon, Andreea Avasiloaiei

19:30-20:00 Opening ceremony

20:15-24:00 "Welcome" cocktail Astoria restaurant

Conferința Națională de
Neonatologie
ORADEA 29.09 - 02.10.2022

Friday, 30th of September

“Neonatal respiratory emergencies” - Session 1

Moderators: Prof. Boris KRAMER, Prof. Silvia STOICESCU

08:00-08:20 Silvia STOICESCU – Actualities in the respiratory distress syndrome

08:20-08:50 *Boris KRAMER – Single or double?*

08:50-09:20 Ola Didrik SAUGSTAD – Oxygenation during newborn resuscitation

09:20-09:50 Corrado MORETTI – Non-invasive respiratory care of the newborn: from the delivery room to the NICU

09:50-10:30 *Astra Zeneca Symposium*

10:30-10:45 **Coffee break**

“Neonatal neurological emergencies” session

Moderators: Prof. Mărioara BOIA, Assoc. Prof. Adrian Ioan TOMA

10:45-11:15 Boris KRAMER – Stem cells in neonatology – what is the evidence?

11:15-11:45 *Nutricia Symposium*

11:45-12:15 Boris KRAMER – Cooling after hypoxia-ischemia – a protocol driven care

12:15-12:35 Manuela CUCEREA – Neonatal convulsions – an emergency?

12:35-13:55 Katrin KLEBERMASS-SCHREHOF – IVH and posthemorrhagic ventricular dilatation

13:55-13:15 *Alliance Healthcare Symposium*

13:15-14:15 **Lunch break**

“Neonatal respiratory emergencies” - Session 2

Moderators: Prof. Dan STEWART, Dr. Radu GALIȘ

14:15-14:30 *Nestle Symposium*

14:30-14:50 Livia OGNEAN – Stabilization of the newborn with congenital diaphragmatic hernia

14:50-15:10 Gabriela OLARIU – Target saturations in Neonatal Intensive Care

15:10-15:35 *Hipp Symposium*

15:35-16:05 Dan STEWART – Pulmonary hemorrhage

16:05-16:45 *Ducos Symposium*

16:45-17:00 **Coffee break**

17:00-17:25 *Draeger Symposium*

17:25-18:05 Rangasamy RAMANATHAN – Predicting and preventing CPAP failures with early surfactant Rx

Conferința Națională de
Neonatologie
ORADEA 29.09 - 02.10.2022

- 18:05-18:25** Larisa CRIVCEANSCAIA, Liuba RUSU – Early use of high-frequency lung ventilation in neonates with surfactant deficiency (respiratory distress syndrome)
- 18:25-18:45** Radu GALIȘ, Eugenina POPOVICI – Lung ultrasonography in diagnosis of neonatal emergencies
- 18:45-19:05** Cristina Elena CHIRIAC, Adriana DAN, Diana Iulia VASILESCU, Florina Magdalena MIHAI – Ultrasound versus lung radiography in the neonatal emergency

20:30 GALA DINNER (event powered by NUTRICIA)

Saturday, 1st of October

 **„Neonatal Cardio-vascular Emergencies” Session**

Moderators: Assoc. Prof. Manuela CUCEREA, Assoc. Prof. Livia OGNEAN

- 08:30-08:50** Mărioara BOIA – Critical congenital heart malformations causing neonatal death
- 08:50-09:10** Andreea AVASILOAIEI – Screening of congenital heart malformations by pulse oximetry – why and how?
- 09:10-09:25** *Alliance Healthcare Symposium*
- 09:25-09:45** Alexandra DIACONU, Silvia-Maria STOICESCU – Emergency treatment in the delivery room of extremely preterm infants and the evolving occurrence of sonographically diagnosed intraventricular hemorrhages
- 09:45-10:00** *Nestle Symposium*
- 10:00-10:20** Ana-Iris TUDOR, Silvia-Maria STOICESCU, Octaviana CRISTEA, Camelia TARAN, Ramona MOHORA – Vascular cerebral malformations - identification of neonatal emergency
- 10:20-11:00** *Nutricia Symposium*
- 11:00-11:15** **Coffee break**

 **“Other Neonatal Emergencies” Session**

Moderators: Prof. Maria STAMATIN, Assoc. Prof. Cătălin CÎRSTOVEANU

- 11:15-11:30** Radu GALIȘ – *Innovation in breastfeeding*
- 11:30-12:00** Dan STEWART – Management of surgical emergencies
- 12:00-12:20** Maria STAMATIN – Diagnostic and therapeutic approach of pain in the newborn
- 12:20-12:40** Monica SURDU – Thermoregulation disorders in the newborn: hypo- and hyperthermia
- 12:40-13:00** *Alliance Healthcare Symposium*
- 13:00-13:10** Laura-Andreea ȘTEFAN, Adriana DAN – Hyperglycemia in ELBW neonates

- 13:10-13:20** Mădălina Ruxandra HEROIU, Silvia-Maria STOICESCU, Ramona MOHORA – Pelvic presentation – when does it become a postnatal risk?
- 13:20-14:20** **Lunch break**
- 14:20-14:30** Isabella ENE, Silvia-Maria STOICESCU, Ramona MOHORA – Challenges during neonatal transport
- 14:30-14:45** *Philips Symposium*
- 14:45-14:55** Florica Ramona DOROBANȚU – Factors involved in the increased incidence of neonatal emergencies
- 14:55-15:05** Livia RENDLER, Aida Georgiana MARINESCU, Silvia-Maria STOICESCU, Ramona MOHORA – Erb vs. Klumpke: the importance of clinical examination in brachial plexus palsy
- 15:05-15:20** *Dutch Med Symposium*

 **Varia Session**

Moderators: Dr. Monica SURDU, Dr. Gabriela OLARIU

- 15:20-15:50** The Telemedicine Project in Romania
- 15:50-16:10** Cătălin CÎRSTOVEANU, Dora Mihaela STOICA, Natalia POSTEUCA – How do we prevent errors in crowded neonatal intensive care units?
- 16:10-16:25** *Ewopharma Symposium*
- 16:25-16:35** Radu GALIȘ, Boris W. KRAMER, Diana MUDURA, Paula TRIF – Meta-analysis on the correlation between retinopathy of prematurity and neurodevelopment in the preterm neonate
- 16:35-16:45** Raluca TOCARIU, Evelyn KECSKES, Andreea VELIȘCU, Diana COMANDAȘU, Elvira BRĂTILĂ – Evaluation of newborns obtained through assisted human reproduction techniques according to the applied protocol – a systematic synthesis
- 16:45-17:00** *Maresi Symposium*
- 17:00-17:10** Cătălina Ioana GRAMA, Ramona MOHORA – Key to the management of neonatal abstinence syndrome
- 17:10-17:20** Alina GRECU, Olimpia PETRESCU, Adina POPA – The activity of the clinical pharmacist as an integrated part of the neonatal intensive care medical team
- 17:20-17:30** Andreea Raluca GOGONCEA, Adriana Mihaela DAN – Antibiotherapy in aerosols in newborns
- 17:30-17:45** *Neopuls Symposium*
- 17:45-18:00** **Coffee break**
- 18:00-18:15** Natural solutions from the Secom® portfolio to support children health and development – Daniela Iacob - *Secom Symposium*
- 18:15-18:25** Alexandra DIACONU, Silvia-Maria STOICESCU, Hadasa BADEA, Mădălina HEROIU, Ramona MOHORA – Peculiarities of newborns diagnosed with sepsis in a level III maternity hospital

18:25-18:35 Diana ARNĂUTU, Monica SURDU, Livica FRĂȚIMAN, Ioana CONSTANTIN, Nicoleta SPIRIDON, Emanuela SERBĂNICĂ, Alexandra TRANDAFIR – The importance of ultrasound at the admission of the pregnant/parturient woman in the optimization of neonatal resuscitation

18:35-18:50 *Takeda Symposium*

18:50-19:00 Oana CIOLOCA, Sabrina DANCIU, Maria POP – Multidisciplinary approach of the extremely premature with bronchopulmonary dysplasia

19:00-19:10 Adriana Mihaela DAN, Ion DRAGOMIR, Laura ȘTEFAN - Regionalization of the neonatal care system – a one-way road?

19:10-19:25 *Sun Wave Pharma Symposium*

 **19:25-19:40 – Poster Session**

Moderators: Assoc. Prof. Manuela CUCEREA, Assoc. Prof. Livia OGNEAN

Danciu Sabrina, Ioniță Nicoleta, Velea Iulian, Pienar Corina, Paul Corina.

Adrenogenital syndrome with suspected 21-hydroxylase deficiency, salt-losing form in a newborn - from clinical signs to diagnosis.

AG Deliu, A Alexa, I Braila.

Ankyloblepharon filiforme adnatum - bilateral interrupted type. An illustrative case and review of the literature.

Tănăsescu Sonia, Tămășan Ionela, Ciulpan Adrian, Homescu Andreea, Bud Carmen, Pop Liviu.
Multisystem Inflammatory Syndrome associated with SARS-CoV-2 Infection – Case report

Constantin Ioana Luciana, Rotaru Elena, Oglindă Ioana Georgia, Franciuc Irina, Frățiman Livica.
Cardiac tamponade secondary to central venous catheter insertion with successful pericardiocentesis in a premature newborn - Case report

Geantă Cristina-Ioana, Surdu Monica, Frățiman Livica, Franciuc Irina.

Conservative treatment of extensive aplasia cutis congenita with bone tissue defect – Case report

Peti Rozalia, Zaharie Gabriela, Cucerea Manuela, Gherman Bogdan, Demian Mihaela, Suciuc Laura Mihaela.

Blake pouch cyst diagnosed in a newborn with convulsions in the first hours after birth – Case report

Geantă Cristina-Ioana, Constantinescu Irina, Frățiman Livica, Franciuc Irina.

Incontinentia pigmenti - Case report

Conferința Națională de
Neonatologie
ORADEA 29.09 - 02.10.2022

Peti Rozalia, Zaharie Gabriela, Cucerea Manuela, Gherman Bogdan, Demian Mihaela, Suci Laura Mihaela.

Blake pouch cyst diagnosed in a newborn with convulsions in the first hours after birth – Case report

Geantă Cristina-Ioana, Constantinescu Irina, Frățișman Livica, Franciuc Irina.

Incontinentia pigmenti - Case report

Valentina-Florența Jianu, Monica Surdu, Irina Franciuc, Livica Frățișman, Diana-Sînziana Arnăutu.

Neonatal ichthyosis – Case report

Evelyn Maria Kecskes, Alexandra Georgia Dobre, Raluca Tocariu, Oana Saulea, Oana Petrescu.

SARS-CoV-2 infection during pregnancy – Case series

Oana Saulea, Raluca Tocariu, Alexandra Truica, Cătălin Ion Chiriac Babei.

Follow-up and perinatal therapeutic approach of newborns with prenatal diagnosis of some intra-abdominal cystic tumor formations – Case series

Anca Bivoleanu, Georgiana Lazăr.

Twin pregnancy – antenatal and neonatal risk factors – Mirror case presentation

Rareș Alexe, Ana-Andreea Levențiu, Simona-Daniela Popescu, Simona Vlădăreanu.

Unassisted premature birth – short-term and prognostic complications – Case series

Ligia Blaga, Otilia Fufezan, Adriana Ciubotariu, Gabriela Abrudan, Monica Hășmășan, Melinda Matyas, Carmen Asăvoaie, Gabriela Zaharie.

Congenital sepsis complicated by cerebral sino-venous thrombosis: imaging and therapeutic aspects

Ruxandra Nicolae, Ștefan Manolache, Mihaela Bizubac, Cătălin Cîrstoveanu.

Ornithine transcarbamylase deficiency in the newborn. Acute and long-term management

Ioana Bianca Mutică, Maria Livia Ognean, Gabriela Vișa, Oana Boanta.

Neonatal seizures - diagnostic and therapeutic difficulties

Dumitru-Alin Teacoe, Maria Livia Ognean.

Necrotizing enterocolitis - can we do more?!

Conferința Națională de
Neonatologie
ORADEA 29.09 - 02.10.2022

Diana Adela Toma, Maria-Livia Ognean, Oana Boantă, Radu Eugen Toma.

Ileocecal valve stenosis and pancreatic hypoplasia in an extremely preterm infant

19:40-20:00 General Assembly of the Romanian Neonatology Association

20:30-24:00 DINNER – EUPHORIA Pub
